Another one of our members is leaving this week, Mrs. Frank Hardisty, who is moving to Spokane. Mrs. Hardisty was always a most willing helper and will be very much missed in the Institute as well as the community.

We will have a dance and social evening on Tuesday Oct. 20th in Campbell's Hall. Everyone is invited to come and enjoy the evening \$1.00 a couple.

The members and women of the community are reminded that the vote on inter-provincial liquor traffic is to be taken on Oct. 25th. What is to be the most good for the most people should be the uppermost thought in every woman's mind. Come out and take advantage of your right and privilege.

CHURCH OF ENGLAND
Regular fortnightly service will be held in the Union church at three o'clock on Sunday afternoon, Rev. Williams, of Carmangay, officiating.

By a plurality of 26,000 British Columbia has decided to have government control of the liquor business sales to be made in sealed packages. The big surprise to everybody was the decisive answer of the electors. If the prairie provinces go bone dry British Columbia will be the most largely populated province in the west in a short time, while the northern states will very largely lose their population, particularly for portions of the year.

Farewell to Mr. and

Mrs. F. Hardisty

On Tuesday evening, Oct. 19th, about forty of the numerous friends of Mr. and Mrs. Frank Hardisty motored to their farm home, giving them a farewell surprise previous to their departure for Spokane on Wednesday night. Mr. and Mrs. Hardisty are among the pioneers of the Champion district, having been residents here since 1905. It is with genuine regret that we come to the "parting of the ways" with such estimable citizens and friends, whose places in the community will be difficult to fill.

Mrs. Hardisty has been especially active in the welfare of the community, particularly interested in the Ladies' Aid of which organization she was several times president and was always an efficient worker. She was also an active and interested member of the Champion Women's Institute.

The evening was spent with games, charades and social conversation and proved most enjoyable. Refreshments were served at a late hour, following which Mrs. J. N. Beaubier, on behalf of those present, presented Mrs. Hardisty with a beautiful club bag as a token of friendship and appreciation of her estimable life among us, assuring them of the high esteem in which they are held, the deep regret at their departure and the warm welcome which will await them should they sometime in the future decide to return to the place "Where the West Begins."

Mrs. Hardisty responded feelingly, and after singing "God be with You till We Meet Again," farewells and good wishes were spoken and the guests departed.

Among those present were: Messrs. and Mesdames G. T. Stoddart, J. Harper, G. F. Smith, Wm. Ulrich, P. H. Agard, E. E. Kowal, J. D. McDougall, G. H. Mark, Dean Smith, Corlies, Baker, D. Chamberlain; Mesdames F. C. Alcock, J. N. Beaubier, J. S. Collins, G. A. Orr, C. Hyndman. (Continued on back page).

THURSDAY, Oct. 21, 1920.

The speed with which the government revoked the order of the Board of Commerce with reference to the importation of sugar from the United States is an indication that the present government has limits in regard to handing a raw deal to the people if the people affected are somewhat of a unit in opposition to being imposed upon. The Board of Commerce has always been a suspicious factor in its relation to business ever since the collapse of the first appointments with the charges and counter charges of its members. Their action with regard to sugar should end their usefulness for all time.

A Massachusetts man had a cow's rib grafted in place of injured spine and said afterwards that he felt badly.

Canada Winds Up Credits To Europe This November

Canadian credits to European countries will be wound up by the middle of November, when outstanding contracts for serges and frocks have been filled. After that the only open credit will be that for timber, for which an amount of \$50,000,000 was provided. Of the amount Great Britain took up \$23,458,880.

A total of \$157,000,000 in credits was set aside by the government. Of this something in the neighborhood of \$65,000,000 has been taken up. The following are the amounts in detail, Roumania \$20,483,676; Greece, \$7,121,300; Italy, \$6,000,000; France, \$5,000,000; Belgium, \$1,772,206; Great Britain (for timber), \$25,458,880. Roumania's credit was absorbed for farm implements and supplies; Greece purchased military supplies largely; Italy bought frozen meats.

Boiling Tough Meats

The next time you have a particular tough piece of meat to boil, just add a teaspoonful of the juice of a lemon or vinegar to the water in which it is cooking, and notice the improvement.

Premium Rate On Hail Insurance Unchanged

The premium rate on hail insurance for the ensuing year will remain at 6 per cent, the same as for the last 12 months. It was decided at a regular meeting of the provincial hail board which held its meeting in Calgary. This will mean 36 cents an acre where the crop is insured for \$8 an acre, and 60 cents where the crop is insured at the maximum amount of \$10 an acre.

This year more than two million acres were insured. This year the maximum was raised to \$10 an acre and more than 90 per cent of the insurance was written at the maximum amount. The total insurance carried was more than \$21,000,000, an increase of more than 10 per cent. The total awards were about \$850,000, an increase of about \$200,000 over last year.

Little Bow M.P.P. Loses Brother

An old-time resident of Carmangy and of the West passed away on Thursday morning last, at Edmonton, in the person of the late Peter McNaughton, brother of James McNaughton, M.L.A. for Little Bow. The late Mr. McNaughton built and operated the Grange hotel in Carmangy in

1900, almost immediately after the steel entered the town, and it was opened up. He continued the management of the hotel until 1912, when he went to Edmonton to engage in the mercantile business.

The deceased came West from Glenary County, Ont. He was in business for a while in Cornwall, Ont., and was a contractor in the building of the Grand Trunk between Port Arthur and Winnipeg. He lost his wife some four years ago and had no family. Of genial disposition the late Mr. McNaughton was highly popular with those who knew him in Carmangy.

The funeral of Peter A. McNaughton who died in one of the local hospitals, was held from the undertaking parlors of Connelly and Armstrong on Friday afternoon at two o'clock. The service was conducted by the Rev. Dr. McQueen, assisted by Rev. Dr. H. Dickie of Robertson church. Interment was made at Edmonton cemetery. The floral offerings were many and beautiful, and were as follows:

Cured By Faith Healing

Five and a half years back-ridden her body and limbs below the waist being paralyzed, Miss Edith Lafontaine, for almost six years an inmate of St. Luke's hospital, has recovered and now walks with the ease and grace of any other girl of her age.

The restoration of the power of her limbs, according to Miss Lafontaine, is the direct result of the visitation of James Moore Hickson, the Church of England lay healer, who conducted a mission in St. Alban's church at the end of June last. She is emphatic in her declaration that the physicians attending her were powerless to effect a recovery, and that her healing is due to the laying on of hands and prayer of Mr. Hickson.

Thanksgiving Service and Supper

The Union Church was crowded on Sunday when Rev. J. W. Oliver conducted Thanksgiving Service. Special musical numbers were rendered by Mr. Campbell and Mrs. Roberts, who sang an appropriate duet, and Mrs. Minard with a solo.

On Monday a chicken supper was held in the church which brought out an exceptionally large crowd. The supper was beyond criticism and was thoroughly enjoyed by those who partook of the multitude of good things. Some \$85.00 was added to Ladies' Aid funds as a result. Music was furnished by several of those present and enlivened the proceedings and undoubtedly aided the digestive faculties of those who filled the tables.

The Ladies' Aid are to be highly congratulated on their success, which was highly deserved.
